Dear Member,

## **THE 100 CLUB - 2014**

We are proposing to continue running the "100 Club" again in 2014 as a means of raising money for the sinking fund for future refurbishment works of the club. To remind you what the 100 Club is all about:

- There is a maximum of 100 shares, which members can buy (one or more) at a price of £25 a year (if all sold = £2,500). A minimum of 50% is returned in prizes.
- There is a monthly draw for, say, £50 (total over the year = £600) and £25 (£300) and a quarterly draw on top of the monthly draws for, say, £100 (£400), which equals a total return of £1,300. This is just an example because final amounts depend on the actual number of shares sold.

All the draws take place at the club and the winning numbers are posted on the notice board in the clubhouse, reported in the newsletter and listed on our website.

If you are over 16 years of age and interested in taking part next year, then please fill in the application below NOW and return it to Leslie Eaton by 31<sup>st</sup> December at the latest, together with your cheque made payable to Woodfield Grove Tennis Club.

Providing there is sufficient interest, we plan to hold the first draw in January. If the take-up is poor, however, then all cheques received will be returned accordingly.

Yours faithfully,

Chairman
